## ORDER GRANTING MOTION TO DISMISS

This matter came before me, the undersigned United States District Judge, on Plaintiffs' motion to dismiss the above-captioned case with prejudice. Counsel for the Receiver does not oppose the relief requested in the motion. It appears that Plaintiffs' motion to dismiss is both necessary and appropriate.

## IT IS THEREFORE ORDERED THAT:

- 1. The motion is granted in all respects;
- 2. The case is dismissed with prejudice.
